Mr. Gintz brings 25 years of experience delivering technology solutions to a broad audience. He has hands-on experience developing adaptive manufacturing compliance systems, billing platforms, reporting engines, and native web applications for companies ranging from startups to multinational corporations. He most recently served as CEO of Pacific Coders, LLC and has served in multiple leadership roles including CTO, Chief Information Officer, Chief Marketing Officer, and Director of Strategy and Planning.

“We are thrilled to welcome Douglas to the Ault Global team,” said Milton “Todd” Ault, III, the Company’s Executive Chairman. “We have spoken about our EV charger growth initiatives as well as our efforts to ensure that our infrastructure can accommodate that growth. The addition of Douglas will provide the depth of knowledge, skill and experience we need to accelerate the delivery of our innovative solutions to the market at scale. In addition, Douglas has tremendous experience that can be leveraged across our organization including the development of cloud services, web applications and content delivery leveraging Amazon Web Services. We have great expectations for our team and are excited for what we are planning to deliver for our shareholders.”
